Thank you for your continued support of our child care center. For our fifth year of operation, we will be increasing our rates in order to meet our financial operating costs. Rates for age 2 will remain the same, but the hourly rates for the other age groups will increase slightly. **These rate changes will begin on October 1, 2016.**

Please remember that Immanuel Lutheran Church continues to subsidize the cost of child-care for your child(ren). This is why our rates remain lower than many other area daycares. For that reason, we do offer a “Church Connection” rate to those who are worshipping with us on a regular basis and supporting our congregation financially.

As Immanuel Lutheran Church is covering some of the cost of child-care, we offer an additional discount to those who are participating in the life of the church. The offerings we gather at church have subsidized the cost of child-care, allowed for improvements to be made to our facility, and have covered the cost of heat and electricity for the building. Families (members or non-members) which qualify are those who are attending church faithfully (no less than twice each month). There is a checkbox on the scheduling forms to indicate whether or not to bill you at the reduced rate based on your involvement in church the previous month. This tuition policy is modeled after the practice of other congregations in the area.
